

# LOCAL BUSINESS MODEST BUDGET?

## GREAT WEBSITE

— NA DESIGNS —

PROFESSIONAL WEB DESIGN SERVICES FOR ALL

Would you like online presence of your business at an affordable price? Don't have budget for expensive maintenance costs? We believe that all businesses should have access to the online world at a modest price with professional services.

- We use a simple but effective platform to develop your website
- Online store for your business also available.
- Blog developing or updating.
- Copyright services also available in case you don't know what to say.

- No logo, no problem, we can customize one for your business or blog
- Need some graphics? we can make them.
- Print design also available. Flyers, business cards and other marketing supplies.

- We can continue updating your website at a reasonable fee.
- Do you want to learn to update your website yourself? We can provide training sessions for you to learn since our platform is easy to access.
